Mr. Klug's Corner

It is hard to believe we are already wrapping up our third week of school! As we move further into the school year, we are beginning to settle into our routines and structures. Students are becoming more comfortable with classroom expectations, schedules, and what it means to be part of our Bethlehem school community.

As we continue through the year, please remember that communication is an important part of our partnership with you. If you ever have a question or concern regarding your child or something happening in the classroom, please reach out directly to your child's teacher. Open and respectful communication allows us to address concerns, answer questions, and work together to support your child. Our Stronger Together theme reminds us that the partnership between home and school makes a difference!

Thank you for your continued support, encouragement, and prayers as we work together to help our students grow academically, socially, and spiritually.

Week 3 Parenting Tip: Faith at Home

Faith formation doesn't only happen at church or school. It begins and grows at home, too! One simple way to nurture your child's faith is to make prayer a natural part of your family's daily routine.

This week, try taking a few moments at bedtime or around the dinner table to have each family member share one thing they are thankful for and one thing they would like to pray about. Then pray together as a family. It doesn't need to be long or perfectly worded. Simply talking to God together shows our children that we can bring our joys, worries, needs, and thankfulness to Him.

Small moments of faith at home can have an eternal impact!

Rick Zeuner's Fall Bible Study Series at Bethlehem

Master teachers have always used the gift of storytelling to drive home important messages. Through storytelling, we connect not only to the deeper messages but also to the story teller. No one could do a better job of this than Jesus. Over the course of eight weeks this fall, we will look at a variety of **parables** in both the Old and New Testaments. Join us as we dive into God's Word and see how those stories have meaning and importance in our lives today.
